

Green Adaptation Programme

About the Programme

The Green Adaptation Programme (GAP) is an exciting initiative launched by Ards and North Down Borough Council, in partnership with Carbonfit, aimed at supporting local SMEs in reducing their carbon emissions and adopting sustainable practices.

This 12-month programme, running from October 2024 to September 2025, is designed to equip businesses with the tools, knowledge, and support they need to achieve their sustainability goals and thrive in a greener economy.

Who is Eligible?

GAP is open to SMEs located in the Ards and North Down Borough Council region. To qualify, your business must meet the following criteria:

- ✓ SME 10-49
- ✓ Single Location Entity
- ✓ Be willing to participate in workshops, mentoring sessions, and engage with the Carbonfit platform

What Will You Get Out of It?

Expert-Led Workshops

Join four sustainability workshops, including Carbon Literacy & more!

1:1 Mentoring Sessions

Get three days of tailored mentoring to develop your carbon reduction strategy.

Comprehensive Reports

Your business will receive a Carbon Footprint Certificate & Action Plan.

Access to Carbonfit Platform

Get access to Carbonfit's platform to measure, manage & analyse your emissions.

How to Apply

The Green Adaptation Programme is now accepting expressions of interest. With limited spots available, don't miss this opportunity to be part of this transformative programme.

Deadline: Friday 1st November 2024
